

This Agreement is made and entered into on this 26th day of August, 2025, by and between:

Developer: Nikko Ferwelo, hereinafter referred to as the *Developer*,
and

Client/Student: [Student's Full Name], hereinafter referred to as the *Client*.

1. Purpose

The Client requests the Developer to design and build a **Hope E-Learning system** (Student & Teacher Dashboard, Web, iOS, and Android).

2. Scope of Work

- **Student Dashboard** – access to grades, assignments, announcements, and subject details.
- **Teacher Dashboard** – class management, uploading lessons, monitoring attendance, and grading.
- **Platforms** – Web, iOS, and Android.
- **Timeline** – 2 months from the date of signing.

3. Payment

- **Total Project Cost:** ₱30,000.00 PHP
- **Payment Schedule:**
 - ₱15,000 (50%) upon signing this agreement.
 - ₱15,000 (50%) upon final delivery of the project.

4. Deliverables

- Fully functional web, iOS, and Android applications.
- Admin access for teachers and student dashboard for learners.
- Deployment and handover of source code upon full payment.

5. Ownership

The Client will have full rights to the final application once full payment is made. The Developer retains the right to showcase the project in their portfolio.

6. Progress Updates

The Developer agrees to provide the Client with **weekly progress updates** through online meetings or reports, ensuring transparency and alignment throughout the 2-month development period.

7. Termination

Either party may terminate this agreement with written notice. If terminated, the Client will pay the Developer for work completed up to the termination date.
